

UNITED WAY OF WILLIAMS COUNTY

ANNUAL REPORT

2021

ABOUT THE ORGANIZATION

WHO WE ARE

The United Way of Williams County is a nonprofit organization that is under the umbrella of United Way Worldwide but has its own separate identity and overall vision for the community. The organization raises money throughout the county and gives it to programs that provide services to those most in need in the community. Along with those programs, the United Way of Williams County has multiple internal programs run by volunteers.

In 27 years, the United Way of Williams County has raised over 7 million dollars, and has helped thousands of residents with their daily needs.

MISSION

The United Way of Williams County improves the quality of life within our community by connecting volunteers, organizations and resources to advance Health, Education and Financial Stability.

VISION

The United Way of Williams County envisions creating an empowered, educated, self-sustaining community.

2021 UWWC CAMPAIGN YEAR IN REVIEW

Serving as the 2021 campaign chairs for the United Way of Williams County was an opportunity that we never expected would come our way, but we are so thankful it did. The United Way of Williams County is such an invaluable resource to our communities. It was a great honor to be able to witness how much hard work and dedication goes into making all of the programs that are offered both successful and sustainable. It is our hope that, through your generosity, the United Way of Williams County will continue to prosper and make our county a better place to live. We could not be more proud to have been chosen to be a part of the 2021 campaign.

**42% of 2021 Campaign funds
came from Leadership Donors**

DOLLY PARTON'S IMAGINATION LIBRARY.....\$15K

Over 1,000 children in Williams County received a free book a month mailed straight to their homes in 2020. This is our largest internal program and one that addresses literacy and brings families together.

The Ohio Governor’s Imagination Library was created to support local efforts for **Dolly Parton’s Imagination Library** programs throughout the state. The goal is to enroll 100% of eligible children in the next 3 years.

LET ME PLAY FUND.....\$3K

The “**Let Me Play**” fund was established in 2003 to provide player’s fees, uniform costs, or even equipment to children who would like to participate in area recreation programs, but do not have the means to pay the fees.

WE CARE CABINET.....\$10K

We are always ready to lend a helping hand.

The **We Care Cabinet** was founded in 2015 to help local food pantries provide personal care items to those in need. Along with B-Rock Cares and Midwest Community Federal Credit Union, we held monthly *Live Drives* to collect monetary and physical donations to help alleviate the gap in the provision of these essential items.

Personal care items include:

- toilet paper
- bar soap
- body wash
- deodorant
- shampoo & conditioner
- toothbrushes
- toothpaste

MEAT PROCESSING.....\$2.5K

Anonymous farmers in Williams County donate sows and cows to the United Way of Williams County. We take this meat, pay for the processing, and donate it to the area food pantries for distribution to families and individuals in need.

EMERGING NEEDS.....\$10K

An emergency fund that can be tapped to support Williams County residents in times of crisis.

SPECIAL FUNDRAISERS

8TH ANNUAL TRIVIA NIGHT

Raised \$8,552

Trivia night was a huge success and great fun! This year's theme was Holidays and everyone got into the spirit. We also folded our Meat Raffle into this event. This event raises money for the **We Care Cabinet**.

MEAT RAFFLE

MEAT RAFFLE

Raised \$6,330

Held during our 8th Annual Trivia night, this raffle also benefits the **We Care Cabinet**

2ND ANNUAL BOOTS & BOWTIES FOR BOOKS

Raised \$22,169

2nd Annual Boots & Bowties for Books event held on March 5, 2022. Silent Auction, live music and catering by Susie's Lunch.

This event raises money for the **Dolly Parton Imagination Library**

GLOW RUN 5K & KIDS FUN RUN

Raised \$2,176

Our fifth annual **5K & Kids Fun Run** was held at the Montpelier Fairgrounds in August. Kids run and earn a medal while the adults compete for medals based on age groups and finishing times. This event raises money for the **Let Me Play Fund**.

Community Impact

Every dollar makes a difference right here in Williams County. The 2021 campaign revenue was made up of individual giving, company contributions and matches, as well as proceeds from events.

\$151K

FOR PROGRAM SERVICES

This includes 28 agency programs as well as United Way of Williams County's Internal Programs and designations to neighboring United Ways.

VOLUNTEERS ENGAGED

From Board Members to event volunteers, to committee members, to program volunteers - we could not do what we do without them.

425

21.6k+

PEOPLE IMPACTED

In 2021, United Way of Williams County funding supported thousands of individuals and families.
